

CL-OEM-HV-80 High Voltage Power Supply

PARAMETERS

Specification	
Model	CL-OEM-HV-80/CL-OEM-HV-80-RS
Maximum output voltage option	4.0 Kv
Output voltage range	1.5kv~4.0kv (Different drivers choose different ranges of high voltage)
Function	Power supply enable control, high voltage test voltage output, RS232 control (RS version)
Maximum output power	80 W
Power input	24 V DC, <90 W
Size (L × W × H)	170 × 70 × 40 mm
Mounting dimension	160 × 60mm or 160 × 80mm
